

Australian Open Tennis SunSmart Uniform Design

You have been asked to design the Australian player's Australian Open Tennis uniform. This uniform is to be worn for the matches, prize presentations and all public appearances.

The uniform needs to be eye-catching and comfortable with a very Australian design. It also needs to be SunSmart!

Each of the players needs to be protected from the sun by using a combination of all 5 important *SunSmart Countdown* steps.

1. *Slide* on some wrap-around sunglasses.
2. *Seek* shade.
3. *Slap* on a broad brimmed, bucket or legionnaire hat – baseball caps don't shade enough of our face, neck and ears.
4. *Slop* on SPF 30+ broad spectrum, water resistant sunscreen. Don't forget to reapply it.
5. *Slip* on a shirt and wear clothing that covers as much skin as possible – longer sleeves, collars, longer style shorts or skirts.
