

# SunSmart door hanger

Levels F- 6

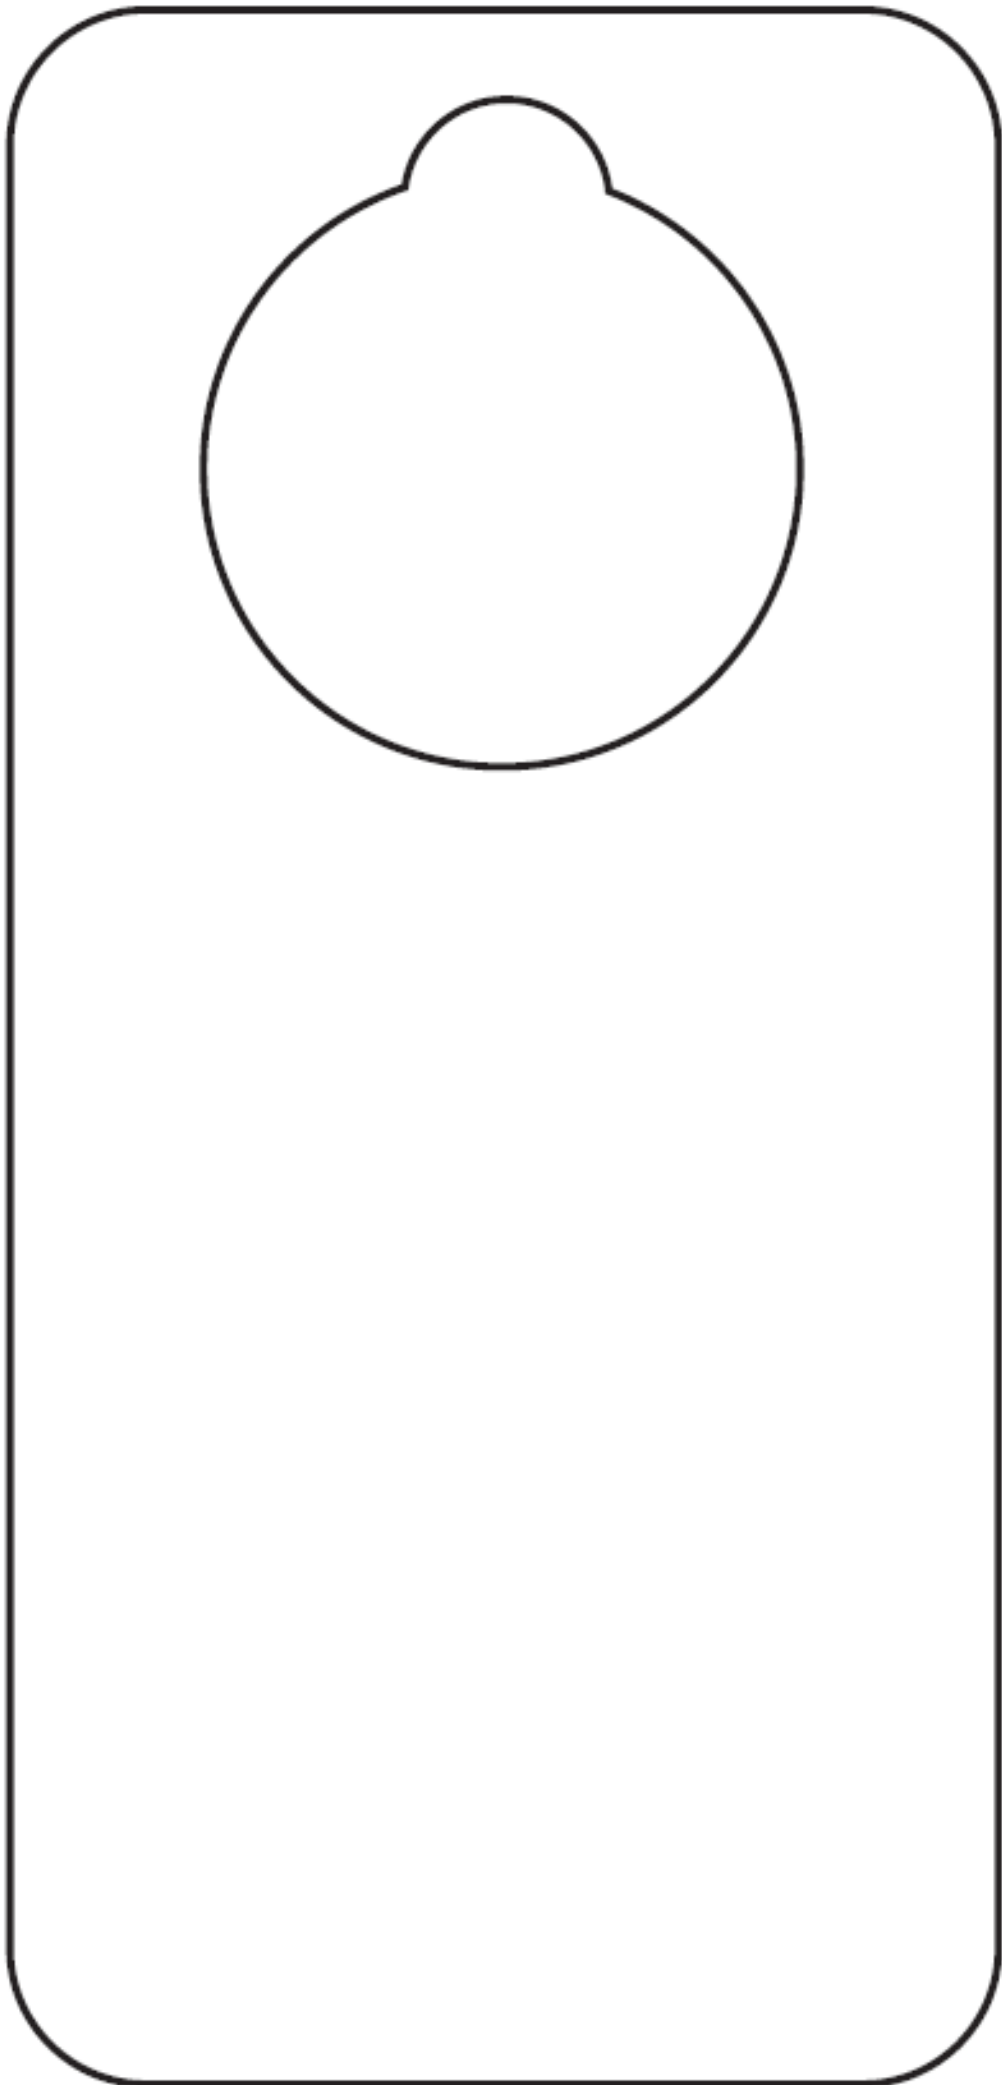

## Materials

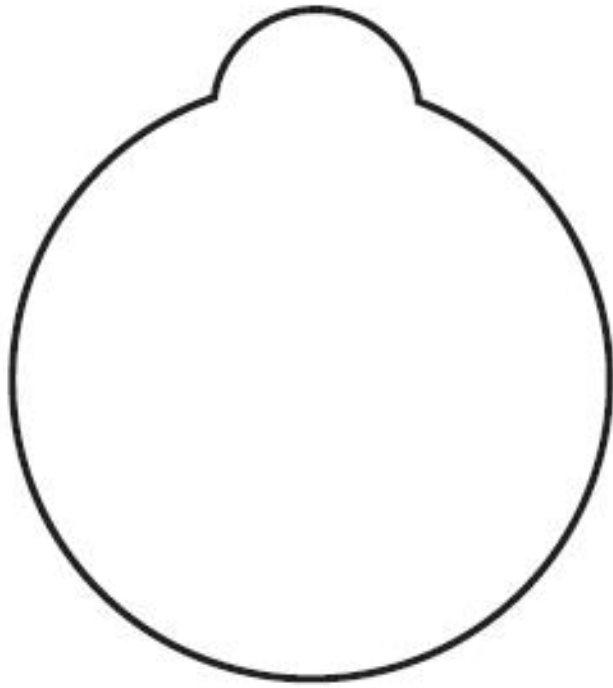

- Cardboard
- Template of the door hanger copied onto thin card or a stencil to trace around (enough for each child to have their own)
- Scissors
- Items to decorate card e.g. glitter, paper, confetti, etc. (optional)
- Copies of the SunSmart images (provided) to decorate, cut and paste

## Instructions

1. Discuss the five SunSmart steps (hat, clothing, sunscreen, shade and sunglasses). Explain that the children are going to make a SunSmart sign to hang over a doorknob at home (preferably the front or back door). This will then act as a reminder to everyone to remember the SunSmart steps before they go outside.
2. Give each child a copy of the door hanger template.
3. Ask the children to decorate the sign with the SunSmart message.
4. They can write and/or draw the messages or cut and paste the images.
5. Children take this home and later report back if it is helping their family remember the SunSmart steps.
