

SunSmart dress-ups

Levels E - 1

Materials

- Copy of SunSmart numbers dress-up page for each child (provided)
- Pencils/crayons
- Glitter, paper, confetti, etc. (optional)

Instructions

Children 'dress' each SunSmart number character with a different sun protection measure – hat, clothing, sunscreen, shade, sunglasses.

Variations

Decorate each number so that they each feature all of the sun protection measures. Ask a group of students to 'dress' a large version of each number to display around the room.
